

AP LITERATURE AND COMPOSITION
Summer assignment for 13-14

Teacher: Mr. Parolin

parolind@epcusd401.org

Materials: Native Son—Richard Wright

Notebook – used solely for AP Literature and Composition

Goal: To read conscientiously over the course of the next two months and come back with substantial ideas in regards to the two texts.

Activity: (Refer to the “right side journal” questions in the back of your syllabus.) Every 30-40 pages (on the right side of your journal) you must answer three of the journal questions. Be sure to incorporate different questions with each of the responses. You may repeat questions only after each question has been used once. Please write in complete sentences and display some real thought about the text. Your responses should be between 3-5 sentences in length. Ultimately, I want you to display that you read closely and with depth. These journals will be collected the first day of school, and they will be used for class discussion. Our class discussion notes will go on the left side of your journal. The journal will be used for different activities throughout the year.

DO NOT SAVE ALL THIS WORK UNTIL AUGUST PLEASE!!!!
